

## OverDrive/Library2Go Website Update

On November 16, 2016, the OverDrive (Library2Go) site is scheduled for an overhaul. The new site has a slightly different look.

### New Look

1. Use Subjects of Collections buttons to browse the collection based on subject or type (ex: New eBooks)
2. Account button has changed from a person to books
3. Availability status is written at the top of the book, and the material type (eBook vs. Audiobook) is at the bottom of the book under the title and author

### New Terminology - Loans

With the new OverDrive site, OverDrive has changed the term "Checkouts" to "Loans." The section with a patron's checked out items will now be called "Loans." The icon of the book spines goes directly to this section in the patron's account (if the patron is not yet signed in, it will prompt them to sign in).

## Signing In

When the 'Sign In' link is clicked, the options to sign in with your library card, with an OverDrive account or with Facebook will appear. **The OverDrive Account and Facebook options will not work for our patrons.** If anyone asks about it, tell them to use the "Select Your Library from the List Below" drop-down menu to sign in using their library card number and pin number.
